FUN WITH MEDICINE

PART 1 - MATCH THE MEDICINE

Draw a line to match each medicine form with how it is used.

Tablet	Rub on skin
Cream/Ointment	Breath into the lungs
Syrup	Swallow with water
Inhaler	Drink from measuring cup
Patch	Stick on the skin

PART 2 - FUN QUESTIONS

If you could make a fun shape for a medicine, what would it look like?

What kinds of medicine do you see at the doctor's office or at the pharmacy?

If you could create a medicine that works like magic, what would it do?

FUN WITH MEDICINE

PART 3 - DRAW YOUR MEDICINE

Use the space below to draw a new, fun medicine that helps people feel better!
What does it look like? How does it work?
